Verification of Diplomas and Transcripts/Diploma Supplements: Guidelines

Please read the following carefully!

What materials do I need to submit to CERGE-EI?

You must submit <u>one notary verified copy of your Bachelor and Master diplomas and</u> <u>transcripts/diploma supplements, with Apostille or Superlegalization</u> (if needed, see below), <u>translated into English</u>.

What steps should I take before submitting my documents to CERGE-EI?

Follow the guidelines below. Note that exact steps may differ according to the country in which you studied (details are below).

- 1. Take your original Bachelor and Master diplomas and transcripts to a **notary**.
- 2. Request **1 notarized copy** of the original documents <u>to be used abroad</u> (IMPORTANT: the notarization **MUST** be made by the notary, **NOT** by his/her assistant and **NOT** by your university).
- 3. Notarized **copies** of your Bachelor and Master diplomas and transcripts must then be **specially verified** depending on the country in which they were issued (there are several types of verifications according to the different agreements between the Czech Republic and different countries), **either by Apostille, or by Superlegalization**. Degrees granted in some countries do not require this verification: <u>all details are below</u>.
- 4. Take the **notarized copies of your Bachelor and Master diplomas and transcripts with Apostille or Superlegalization (if needed) to a certified court translator** and ask him/her to make a certified translation **into English**. He/she **MUST** inseparably attach the translations to the notarized copies of your diplomas and transcripts.
- 5. Upload through the online application form or send in paper form the **notarized copies** of your Bachelor and Master diplomas and transcripts with Apostille or Superlegalization, translated into English, **to CERGE-EI** by the deadline April 30.

DETAILS OF STEP 3:

Steps for special verification of your diplomas, depending on the country in which they were issued

Special verification of your diploma (Apostille/Superlegalization, step 3) depends on the country in which your diploma was awarded. It has **nothing to do with your citizenship, but with the country where you studied**. For example, if you are from Serbia but you studied in Turkey, you need the verification that is valid for Turkey and you must contact offices in Turkey.

The table below indicates by letter A, B or L what kind of special verification your diplomas and transcripts need:

A (APOSTILLE) – Apostille is an official document/stamp issued in the country where you studied, which certifies that the diploma is authentic.

What you need to do:

- Take the **notarized copies** of your diplomas and transcripts to the **Apostille Office in the country where your diplomas were issued** contacts can be found here: <u>www.hcch.net//index en.php?act=conventions.authorities&cid=41</u>
- Then follow steps 4 and 5 above.

B (NO VERIFICATION REQUIRED) – only notarized copies of your translated transcripts and diplomas are required.

What you need to do:

• Take **notarized copies** of your diplomas and transcripts to a **certified court translato**r and ask him/her to make a certified translation into English. He/she should inseparably attach the translations to the notarized copies of your diplomas and transcripts (step 4 above), and then you should upload/ send the documents (step 5 above)

L (SUPERLEGALIZATION) – diplomas and transcripts must be verified by the Ministry of Foreign Affairs of the state(s) in which the diplomas were issued and a representative body of the Czech Republic there (the Czech Embassy or Consulate).

What you need to do:

- Take your **notarized copies** of your diplomas and transcripts to the **Ministry of Foreign Affairs of the state in which the diplomas were issued, and ask for a Superlegalization Stamp.**
- Submit these documents with the Superlegalization Stamp to the **representative body of the Czech Republic in the country where the diplomas were issued and ask for verification.** (Contacts can be found at

www.mzv.cz/jnp/en/diplomatic_missions/czech_missions_abroad/index.html)

• Then follow steps 4 and 5 above

PLEASE NOTE that you **will have to** present **verified copies of your Bachelor and Master diplomas and transcripts/diploma supplements, with Apostille or Superlegalization** (if needed), **translated into English** in paper form upon your arrival at CERGE-EI.

Unless your master degree was earned in the Czech Republic, Slovakia, Slovenia, Poland or Hungary, you will need to get **the certificate of recognition of your previous education** in the Czech Republic in order to be enrolled in our PhD program. CERGE-EI offers assistance with the process of recognition to applicants who follow the instructions and submit required documents verified properly as described in the guidelines above.
