Director of CERGE UK announces a call for
A 4-months work-stay (research mobility) of a Ph.D. student in the USA. Directly following the work-stay abroad, the candidate shall spend a mandatory return phase of six months at CERGE UK. There is 1 open position in this call.

Requirements:

At the time of application, the candidate must meet the following conditions:

1. Be a Ph.D. student at an institution based in the Czech Republic;

2. He/she must have demonstrated scientific quality, publication potential, and proficiency in English;

3. Must have a foreign mentor who:
   - He/she must have participated in at least one international grant or national grant in the past 5 years as a solver or co-investigator, or
   - He/she must demonstrate publishing activity - at least 3 publishing outputs in the last 5 years.

During the work-stay, the Ph.D. student will be an employee of CERGE UK working for 0,5 FTE at the Host institution.

The work-stay (research mobility) is part of the project “International Mobility of Researchers, technical and academic staff of the Charles University” (reg. number CZ.02.2.69/0.0/0.0/18_053/0016976) funded by the Operational Programme “Research, Development and Education”.

Expected start date: August 1, 2022
Final starting date by agreement: September 1, 2022 at latest.

CERGE UK reserves the right not to fill the listed position.

Application:

Please send your letter of application to the following address by March 27, 2022: Secretariat CERGE UK, Attention: Director, Politických vězňů 7, 111 21 Praha 1.; office@cerge-ei.cz

The application should contain:

1) Short description and schedule of your research plans (400 words)

2) The name of the mentor at Host institution

3) CV in English and short recommendation letter by your Ph.D. advisor
